Supplier Re-Evaluation – FORGITAL ITALY SPA

Dear Mr. Sturzen,

We would like to extend our thanks to you and your company for accommodating Alstom Power Operations during our recent visit to carry out a supplier evaluation.

Alstom Power is pleased to confirm FORGITAL ITALY SPA
V G Spezzapria 1 Vicenza, VICENZA 36010 Italy, Works Site status as an

'Commercially approved supplier'

The valid date is from March 11, 2014 to March 10, 2017.

Our overall impression of FORGITAL ITALY SPA, is that your Quality Management System to ISO9001:2008, Environmental, Health & Safety (EHS) management systems and technical processes are sufficient and that subject to completion of the required product qualifications, you are able to supply "Forgings" for Power application and Services of quality required by Alstom Power.
